➔ The cuts run deep

From geopolitics and religion to the police, CBFC's ambit has grown beyond traditional concerns.

CBFC – central board of film certification this agency orders cuts and modifications before the film being released It also provides US/A certificates to film.

In past the major regarding cuts used to be violence, sexual content and abusive language. But in recent times more additions in category in which movies has to cut scences have occurred. Inteqrity of India, security of state, friendly relations with foreign countries, mentions of the govt. PM, Reference of beef being some of the Major additions though there additions are not formal crules has a not been amended), but recent cuts shows this. In movies Pathan a mention of KGB sky has been changed. Similarly, there have been over 100 cuts/revisions demanded in 300 movies cleared over last 3 months.

Earlier those who didn't agree with cuts could go to central film appellate Tribunal (CFAT), but this Tribunal was abolished in 2021. Now one will have to go to high court over these.

The dats collected is by the Hindu Journalist from CBFC office.

➔ Centre drafting reply on SC' concerns' on Adani stocks.

It an event FM Nirmala sitharaman told that centre is drafting reply on SC concerns over Adani stocks. SC on Friday has asked govt. about rules to protect investors in events like this. SC have told SEBI to reply.

Nirmala Sitharaman told "India's regulators are very, very experienced, and they are experts in their dopmain. The regulatory are fairly seized of this matter and they are on their toes, as always not just now, so I will leave it there" Mrs. Sitharaman also hit back at new income tax regine impacting saving rate and investment in country, she told that new income tax was introduced simply to reduce income tax and giving more money in hands of people.
