## Editorial

### ➔ Tiding over

#### **India's states should ensure greater compliance on air pollution**

The alliance of Myanmar ethnic minority group said it made more gains in its offensive against the ruling Junta on Friday, with the regime vowing that it would hit back at the biggest military challenge it has said success it took power.

The Myanmar National democratic Alliance Army ( NDAMA ), the Tang National democratic Army and the Arakan Army ( AA ) have captured dozens of outpost on their border with China

### ➔ Revenue rebound

#### **Octobers's GST collection mark a shift from some recent trends**

Gross Goods and Service tax ( GST ) revenues hit their second highest monthly tally to 1.72 lakh crore in October .This resulted in an increase of 13.4 % of GST revenue which is highest in 2023.

Some reasons behind this increase is crackdown over non compliant by revenue department and increased demand of consumers . Income tax department should be hoping that this increase keep moving forward
